SPECIAL EVENT INVITATION

## Coping Techniques for Caregivers

*Taking care of yourself is the first step in caring for others.*

Being a caregiver is a journey of love, but remember: you cannot pour from an empty cup. Prioritizing your own health isn't selfish, it's essential for you to be the strong, balanced support system your loved one needs.

Join us for a free presentation that offers practical, actionable strategies for managing caregiver stress. Discover how to stay healthy, find balance, and ensure you have the energy and resilience to continue your vital role.

*Make mealtime easy!*  
Pick up a copy of our cookbook at the event.
